# Welcome First-semesterers 23/24

Dear all,

we, the VWL student council, welcome you to the Alfred Weber Institute for Economics at the University of Heidelberg. This brochure should give you a first insight into what you can expect in the first weeks.

This year, too, we have put together a program for you so that you can find your way around Heidelberg and get to know your fellow students.

What can you expect on the next pages? You will find invitations and information about the events we are organizing and helpful hints and tools for your studies.

There is also a WhatsApp group where you can exchange information. For the latest information it is also worth to check our social media channels!

If you have any questions, please feel free to contact us anytime via the above-mentioned channels.

We are looking forward to seeing you!

See you soon,  
Your VWL student council
